Chapter XIII.

Insert the following as a footnote to the word "re-employment" in the heading under this Chapter :—

The rules in Chapter XIII of the Civil Pension Code regarding re-employment of pensioners require in certain cases deductions to be made from the pensions or salaries of re-employed officers. Instances have recently been brought to the notice of the Governor-General in Council in which such deductions were not made owing to the officers of Account having been ignorant of the fact that the re-employed officer had been granted a pension for previous service. The Governor-General in Council accordingly directs that in future when a person who was formerly in Government employ is re-employed, whether temporarily or permanently, the authority reappointing him shall specifically state in the order of reappointment whether he received any gratuity, bonus, or pension on retirement, and shall communicate a copy of this order to the Audit Office, and, if necessary, direct that the proper deductions may be made.
